

ST. MICHAEL'S C.E. (AIDED) PRIMARY SCHOOL

*"I have come that everyone may have life and have it to the full (John10:10)*

**Friday 10<sup>th</sup> January 2014**  
Newsletter 13 – Spring Term 2014

Dear Parents

Happy New Year

**NEWS HIGHLIGHTS**

The new school dinners have been a huge success. I plan to eat each day with the children. This week they have told me they like the taste and choice offered. The unlimited access to salad and bread is popular and even the most hungry child feels full.

**JOB OPPORTUNITY**

I need a Washing Up Assistant during term time, 39 weeks, for one hour per day, 12.15 p.m. to 1.15 p.m. The pay is £6 per hour. Please contact the office if you are interested.

**PTA**

The PTA met at "The Village" on Thursday. It was a lovely to see so many parents and share a drink and ideas for events this year.

New traditions have been established. Each year we will have a Movie Night at Christmas for the children. The Michaelmas Fair in partnership with St. Michel's Church will also become an annual event.

The PTA are planning to ensure there is a balance between fundraising events and social events for families.

There will be a steering committee for each event to make the decision making efficient and an open meeting twice a year to share ideas on future ventures.

**DEFIBRILLATOR**

The defibrillator has been ordered and will be located outside the office on the outer wall where the community can access it.

**FUTURE FUNDS**

During this year, the PTA are going to support curriculum enhancement throughout school. Books, equipment and school visit subsidies will ensure St. Michael's school offers the very best opportunities for our children.

**Alison Drayton, Headteacher**
