MacMillan Coffee Morning

Thank you to all parents who donated cakes for the MacMillan Coffee Morning and to those who were able to come along and support this fund raising event. We raised £75 thank you.

Michaelmas Fair

Firstly, a big 'Thank You' to St. Michael's P.T.A. and all volunteers, for their time and commitment in making this year's event such a great success. The weather held out and in true community spirit the fair was well attended by extended families, friends and children of St. Michael's.

£1759.07 was raised which will be put towards developing outdoor provision in Nursery and Reception.

Kinetic Light Show Thursday 2nd October.

Thank you to all parents who have donated £1 towards the cost of this Science themed event. The full cost of the show is £360 and the PTA funds will make up the difference to ensure all children are able to access this educational light show.

Policies Under Review

We will be reviewing our Behaviour, Anti-bullying and Sex Education policies with the staff and Governing Body this half term, in preparation for approval by the full Governing Body meeting on 13th November.

It is important that these policies support you as parents and the school, in keeping all children safe from harm. Look out for the updated policies on our website at the end of November.

Free School Meals

There is now a link under 'Information for Parents' on the school website, to guide parents who feel they may be entitled to Free School Meals. (This is separate from the recent universal lunch entitlement offered to all infant children.)
