

St. Michael's CE Primary School

Mobile Phone agreement (Upper KS2)

No children are allowed to bring in mobile phones to school except when requested by the parents of a Y5 or Y6 child who may be making their own way to and from school.

The children must follow these rules if permission has been given to bring in their phones.

- The phone must be handed in to the office before registration and switched off. It will be kept in a safe place.
- The phone should be collected at the end of the school day from the office- there is usually someone in the office until 4:30pm. If attending WRAP club, the phone must be handed to the play-worker on duty.
- If your child is attending an off-site school sports activity, they should keep their phone in their bag for the duration of the event.
- The phone must clearly be labelled with the child's name.
- The phone must not be used on school premises, including outdoor areas.
- Any mobile phone brought into the school without permission will be confiscated and returned at the end of the school day.
- The school accepts no responsibility for any loss, damage or theft of the phone.

Where mobile phones are used in or out of school to bully or intimidate others, then the Head Teacher does have the power to intervene 'to such an extent as it is reasonable to regulate the behaviour of pupils when they are off the school site' (refer to anti-bullying policy).
