### Accessibility Plan

#### Overview

Under the provisions of the Equality Act 2010 this school recognises the need to provide adequate resources for implementing an accessibility plan and we will ensure that the plan reflects our Disability, SEND and Equality Policies. In line with those policies we will take the necessary steps to ensure that every young person, their families and also employees are given equality of opportunity to develop socially, work, participate and learn and to enjoy community life.

#### Objectives

1. Increase the extent to which SEND pupils can participate in the curriculum
2. Improve the physical environment of school to enable SEN and disabled pupils to take better advantage of education, benefits, facilities and services provided
3. Improve the availability of accessible information to SEN and disabled pupils
